Temple Run 2 is an endless run game released by Imangi Studios. Since its launch, the game has been dubbed the "the game definite mobile games" and has attracted a large number of players around the world. Xem thêm: Cách hack game temple run 2 You can easily see the dramatic change of part 2 as it is greatly upgraded in terms of graphics compared to the previous version. Also, the game also updates a lot of new features and interesting characters, giving you an unforgettable experience and make you addicted at any time. I bet that your friends are playing this game, can you break their score record? Temple Run 2 has endless run gameplay. I think it quite similar to Subway Surfer, but this game has other plot and content. You are an adventurer lost in the mysterious forest, but you are fortunate to find an antiquity existed a thousand years ago. But you never know that you have a real nightmare. This antiquity has a terrible curse, who dares to wake it will end up catastrophic. You have awakened the giant monster guarding the antiquity, and now you have to run the fastest you can if you don't want it to tear your body. Remember, don't look back, it's always behind you! Temple Run 2 requires you to be skilful in avoiding obstacles and picking up coins on your journey. You must really focus on getting through dangerous cliffs, zip lines and dark dungeons filled with traps. Only one mistake, you will become dinner for the monster. Tham khảo: Tổng hợp 10+ trò chơi nói chữ đầy đủ nhất The gameplay you probably know, it's pretty simple including swiping the screen upwards to control the character jumping, swiping down to roll, swiping to the right or to move to the sides. Talking is always easier than doing, especially when the game seeks to discourage your efforts by designing so many subtle traps that you can lose at any time. There is some support that you can find during the run, such as a shield to protect you for a while or a magnet to attract coins (like Subway Surfer). In particular, when you die, you can use blue gems to continue the journey. Next time, the number of gems you have to spend double. They are very valuable in this game, you can use your cash to buy them or watch ads. The money you collect will be used to unlock more of your favourite characters. The game has a lot of different characters for you to choose and constantly adds in the updates. In the latest version, you can unlock "speed king" is athlete Usain Bolt. To chase after Usain Bolt, the giant gorilla would be so hard! During the game, you collect coins and gems. They are used to upgrade character attributes. Each character has certain attributes that directly or indirectly affect the playing process. In it, each attribute has 5 levels, you can use coins or gems to upgrade. The higher the level, the greater your power. Such as: Coin Value will help you get more gold Shield Duration: Time to receive shield class Coin Magnet: Magnets attract money And many other attributes ... Tham khảo: Danh sách 10+ các trò chơi game kiếm tiền chi tiết nhất To get enough coins and gems to unlock characters and upgrade attributes, you'll have to spend a lot of time in the game. And you will not be able to achieve this without playing the game hard. But if you have little time, then you really should use Temple Run 2 MOD APK. It's adjusted for you to buy characters and upgrade the properties for free. The graphics of Temple Run 2 have been upgraded a lot compared to the first version. Great visual experience makes it possible to play for hours without getting bored. Besides, the sound is also impressive. You will feel your heart pounding when you hear the gorilla's roar behind you. The main interface system of the game is divided into many different regions. You can unlock to experience new regions, including Sky Summit, Pirate Cove, Blazing Sands, Lost Jungle, Spirits Cove, Frozen Shadows, Holy Festival ... Unlimited Money Characters Unlocked Overall, Temple Run 2 is a great upgrade to the previous version. Playstyle remains the same, but many improvements in graphics, extra features, character upgrades, unlock new characters ... This game is a great entertainment choice after working hours, studying, stress. Whether you have a lot of free time and choose the APK version, or you're busy and prefer the MOD version, this game is still a great entertainment choice after working hours, studying, stress.
